

## **Meeting The Communications Needs For a Diverse Business Community**

### **Entrepreneurial Spirit LLC**

Is proud to introduce '**Business Television Network**' to the Delaware Valley business community.

### **Business Television Network™**

Brings unique business communication and marketing solutions for small to mid sized companies through television and multimedia presentations.

From concept, to videography, to editing, our award winning team of producers and editors craft and style our television productions to hold audience interest while providing businesses the premium visibility they need to grow and access new clients and markets.

A key strength of television is that it '**Builds Brands**' and because '**You Never Know Who's Watching**' it offers a huge potential for;

- \* Raising your visibility and credibility.
- \* Building One-on-One connections.
- \* Showcasing products and services.
- \* Connecting to a target audience.
- \* Gaining fresh insight on how your company, products and services are perceived in the marketplace.

### **Spotlighting the Fastest Growing Segments of Today's Economy!**

- \* Women & Diversity Businesses.
- \* Life Science, Technology & Healthcare.
- \* Reputable products and services.
- \* B to B and B to C Connections.
- \* Entrepreneurship

Marketing is a constant process of maintaining your best corporate visibility in the marketplace. We're here to help you maximize the impact of your marketing efforts. We have created opportunity for your business to be seen as meaningful Premium Business Content on channels that have access to millions of viewers. Thus creating a wealth of potential for you to connect with new clients, suppliers, customers, investors and more! You can also leverage TV production for continued local, regional, and national visibility as well as global web distribution, multimedia presentations and more. Call or email us for a marketing consultation at (856) 435-4777 or [FM@BusinessTelevisionNetwork.com](mailto:FM@BusinessTelevisionNetwork.com)

***The first series of television programs is scheduled to air regionally Mid September, 2007. We are currently in production so You Must Act NOW to be considered for inclusion in the Fall 2007 series!***
